Message from **Mayor Gary Goobie**

Now that winter is behind us, and summer is fast approaching, the Department of Recreation & Community Events have many events and activities planned for the whole family to enjoy.

On behalf of staff & my Council collogues, I want to sincerely thank our Recreation Director Steve Martin, his volunteer committee and summer students for their hard work and dedication in helping to make these events and programs possible. We always welcome and encourage residents to become involved with the committee. For our new residents, it's also a wonderful opportunity to meet new friends!

To all former residents and families returning for a visit, I want to say, welcome home! We encourage you to partake in all the activities and leave with long-lasting memories of your visit.

On July 1st, make sure you dress in red & white and join us at the Festival Grounds for a full afternoon in celebration of Canada Day. There'll be a wide variety of music, BBQ and lot's of children's entertainment.

The 28th Annual Squid Fest will take place from July 13-17 and is filled with an abundance of events and activities for the whole family to enjoy. It truly promises something for everyone! Stay tuned for a complete schedule by visiting www.squidfest.ca.

On July 26th, the Forever Young Wellness Program will be hosting a "summer social". Additionally, the summer excursion to Ferryland (including a dinner theatre) is also being planned. Details to follow.

On August 3rd, come spend the day at Holy Cross Park to help us celebrate Holyrood Day. There will be plenty of activities for the whole family to enjoy.

On August 21, stroll on down to the Annual Rock n' Roll Show at the festival grounds to capture some music of the 50's & 60's.

Camp A' hoy and Teen's A' hoy will once again keep all the children and youth busy throughout the summer. The Recreation Department is sure to have an abundance of activities for them to enjoy!

That's just a highlight of all the exciting events being held this summer. Once again, a big thank-you to Steve, his committee, students, volunteers and business sponsors for the great work they're doing, it's very much appreciated!

Have a safe and enjoyable summer everyone!

George Cove Mountain Trail

If you've spotted the cross in Holyrood, you've spotted the George Cove Mountain Trail. The entrance to the trail is located on Salmonier Line. The hike is a short 15-20 minute walk but it is a steep incline the whole way to the top.

Please note: The Town will be renovating this trail over the course of the summer and during peak construction times the trail will be closed. Keep an eye on www.holyrood.ca for updates.

Murray's Peak Trail

This trail is located off Conception Bay Highway on the south side of Holyrood next to STOP training services. With new work completed this winter we strongly encourage everyone to make it to the top and take in the view!

ECONOMIC **DEVELOPMENT**

Moving Holyrood forward – one wave at a time

The goal of the Economic Development Department is to create job opportunities and economic growth in Holyrood. We are continuously working to enhance the living experience of every resident of the Town. We are making unprecedented infrastructure investments to provide a solid foundation for jobs and prosperity as we promote our Town as a great place to live, learn. work, play & invest.

The Town has been successful in obtaining the crown land necessary to begin the Industrial Place, off Holyrood Access Road on Horizon Drive. This will provide new growth and stimulate new business and job opportunities in the near future.

The Town is moving forward with tourism enhancements including the George Cove Mountain Improvement Project which will begin this summer. We have also applied for funding to assist with the up-grade to the caboose as a tourist attraction. The caboose has long been a component of the Holyrood story and having it become an actual asset to our tourism plan is an exciting initiative.

The Economic Development Department has completed applications for student employment for programming this summer. We have worked in conjunction with our recreation department to ensure maximum job opportunities for youth. We are waiting for government's allocations but feel confident we will receive funding.

Funding has also been secured for equipment and a shed for the soccer field which will promote and enhance the CBC Summer Soccer Program.

Funding has also been secured for Marina Golden Age 50+ Club which will assist them in developing programs throughout the Town. The Economic Development Department is pleased it can reach out and touch every aspect of living here in Holyrood.

The Town is committed to small and medium size business opportunities and the office door is open to anyone seeking assistance and/or direction in creating or maintaining a business. Please feel free to call and we will make ourselves available to help you. (229-7252 ext. 205)
