I, (name of property owner) \_\_\_\_\_ of the Town of Holyrood, hereby make application to the Town Council of the Town of Holyrood, to have my residence connected to the municipal water and/or sewage system, and to bring the service used in conjunction with the said system up to a maximum point of 10.06 meters from the centre of a public highway. I understand the installation of this connection will be done at my own expense including the cutting and replacing of asphalt, and the upkeep of road gravel at the cross cut until asphalt is replaced, if necessary. I agree to the following stipulations:

1. To install a pipe clean-out on all sewage pipes. The clean-out shall be located in an easily accessible place inside the building;
2. To install a backwater valve on sewage pipe servicing basement. The valve shall be located in an easily accessible place;
3. To install a shut off valve and a pressure reducing valve immediately inside the basement wall and a vacuum-breaker installed on the hot water boiler.
